

Regarding Horizontal connectivity to
MSWAN

GOVERNMENT OF MAHARASHTRA

Government Circular No.: DIT/File-07/CR 107/39
Directorate of Information Technology
General Administration Department
Mantralaya, Mumbai 400 032

Date: 6th April, 2009

State Wide Area Network (SWAN) has been identified as an element of the core infrastructure for supporting these e-Governance initiatives under National e-Governance Plan (NeGP). Government of Maharashtra is in the process of implementing Maharashtra State Wide Area Network (MSWAN) which would act as a backbone for supporting the e-Governance initiatives. The MSWAN is envisaged as the single backbone network in the state for on line data, voice and video communications.

2. The MSWAN back bone will connect all the District Headquarters (DHQ) to State Headquarter (SHQ) with minimum 4 mbps bandwidth and further all the DHQ will connect to respective Taluka Headquarter with min 2 mbps bandwidth. At each of the headquarters, Point of Presence (POP) are being created. The vertical connectivity will be extended to local level office offices from the respective POP as a Horizontal connectivity.

3. Government of India is providing funds to setup vertical connectivity and also for horizontal connectivity to 20 offices at SHQ, 10 offices at DHQ and 5 offices at THQ.

4. The connectivity to the departmental field offices shall be on the basis of departmental e-Readiness and on the request first come first basis.

5. In view of the above, following departments have been considered on priority for horizontal connectivity from the funds provided by Government of India.

District Headquarter (DHQ)

i) Collector Office, ii) SP office, iii) Police Commissioner (if present), iv) Zilla Parishad, v) Municipal Commissioner (if present), vi) Treasury office, vii) Road Transport Offices, viii) Employment and Self Employment

Taluka Headquarter (THQ)

i) Taluka office, ii) Police station or Dy. SP office, iii) BDO office, iv) Treasury office and

The rates for various media type connectivity are enclosed as an **annexure I** and the rates approved for leased line bandwidth is enclosed as **Annexure II**.

6. The remaining departments shall have to make fund provision for horizontal connectivity which includes Customer Premises Equipments and bandwidth by following Government financial procedures. The departments are requested to get done the survey for horizontal connectivity with help of MSWAN project operator M/s ITI-Spanco. A single horizontal connectivity (extended WAN) shall be provided to the department which is having multiple offices at the same POP vicinity. Department shall have to make arrangement to connect their other offices if required from the single connectivity.

Therefore, the selected departments for DHQ and THQ are requested to use these approved rates and submit the proposal along with bandwidth per link requirement to this Directorate for consideration and approval.

Yours sincerely,

(S.H. Jagthav)

Deputy Secretary,

Directorate of Information Technology

Horizontal Office Connectivity Under MSWAN				
S.N.	Cost Item	Qty	Rate in INR	Value in INR
A	Type I: CAT 5E Connectivity			
	Equipments – Refer to Annexure I (BOM and Tech specs) and quote for all equipment necessary to ensure a complete solution.			
	L2 Switch	1	128600	128600
	Rack	1	4263	4263
	Passive Cabling	1	2237	2237
	Total Type I connectivity			135100
	Labour & Implementation Costs – Refer to Section 2.7.1 of Volume 2 and quote for all 3 options of connectivity.			
B	Type II: Fiber Connectivity			
	Equipments – Refer to Annexure I (BOM and Tech specs) and quote for all equipment necessary to ensure a complete solution.
